LOTTERY  
EARNINGS

## \$3,700

Each year \$1,000 will be added to the Lottery & go towards the Fall Extravaganza horses in the 5-State Breeders Barrel Futurity & Maturity.

Starting in 2019 > **\$800** each year is added to the Fall Extravaganza Lottery towards this accumulating incentive. The Fall Extravaganza Horse is **ONLY** eligible to WIN the accumulated incentive if they are sired by a 5-State Enrolled Stallion during year bred or when of age to compete. The accumulated incentive money is awarded to the Fall Extravaganza Lottery Eligible horse who earns the title of 5-State Breeders Futurity Champion.

**\$100** will be awarded to the Fall Extravaganza Sale Lottery Horse who is the fastest time to place in the average of the 5-State Futurity other than Fall Extravaganza Lottery Futurity Champion.

**\$100** will be awarded to the Fall Extravaganza Sale Lottery Horse who is the fastest time to place in the average of the 5-State Maturity.

> In the event there are no horses in the Futurity and/or Maturity to win the \$100 then it will be added to the accumulated incentive awarded to the Fall Extravaganza Lottery 5-State Breeders Futurity Champions incentive.

If the winning 5-State Futurity Champion was not a Fall Extravaganza Lottery Eligible horse, the accumulated Lottery incentive will roll into the following year — increasing the accumulated Lottery money every year by either \$800 or potentially the entire \$1000 designated for the Lottery.

When the 5-State Futurity Champion is an eligible Fall Extravaganza Lottery Horse, they will be awarded the ENTIRE accumulating pot! Then the following year the total amount will start over and return to \$800 for the Fall Extravaganza Lottery to build again.

## A Lil Bit Sassy

Bay Filly // 6.14.21

The last chance at a foal out of Miss San Antonio Red. We sadly lost her after foaling. She was the absolute sweetest mare & heavily stamped her great mind and willingness to please on her foals. There is going to be no lack of disposition with both parents being incredibly good minded. This fillies outgoing confidence since she was born has given her the nickname Sassy. Something I love about Sassy is her long legs and underline. When you watch her run and play she floats & moves with ease!

Buckskin Colt // 5.17.21

Bidder Suite has the sweetest disposition combined with a big sloping hip, short loins and a long underline to collect and explode into a big stride. As this foal has been in our back pocket since day one, he is showing to take on a lot of her traits. Bidder Suite looks a lot like her sire Panther Mountain si 105 who sired over \$6.5 Million from his first 5 foal crops before going to Brazil. Guys Easy Jet himself is a proven 1D Barrel Horse from limited outs and is siring 1D futurity talents. HE WILL BE YOUR BEST FRIEND!

## Tidus

Cremello Colt // 5.17.21

Sugar Glazed Frost is an incredibly athletic mare! As a slow maturing horse she wasn't sent off to working cow horse training till she was 3. She had all the talent and then some, yet was too old to futurity so we sent her off to become a Heel Horse. Sugar was so talented she has been seen with NFR caliber ropers roping on her with NO BRIDAL!!! Sugar also won the MN Jr HS State Team Roping Championship and qualified for Jr HS & HS Nationals in Breakaway. We followed this mare close till the day came when we were blessed to be able to buy her back! 5-Panel N/N

## Baileys Sweet Pie

Bay Colt // 5.11.21

We are a little bit of a late bloomer yet trust me with the proper care he will mature out to be a nice made horse. His dam line are BIG BIG BIG shapely mares & his Sire has a lot of size & shape. He has a full sister that also was a slow maturer and by time she was 2-years-old she grew into being a stunning mare with a Heel Horse or Tie-Down roping type of a frame. He will make for a fun youth competition horse with how easy he is to handle and be around!

This filly is full of class and refinement mix with a loving disposition. This filly is having a hard time deciding on what color she wants to be but I'm going with a smutty buckskin. No matter her color she is special and following in her big brothers' footsteps of being so easy to get along with and smart enough to show her once and she has it. ## WPH Sippin N Driftin

Chestnut Colt // 4.22.21

Our first Sippin Stoli's to hit the ground and can't be happier. He is the total package with looks and brains. He combines the speed of his sire and cow of his dam making a very cool moving athletic colt. Sippin Stoli is unshown himself due to a hip injury yet already has sired money earners both on the track and in the barrel pen. His dam has produced several nice rope and ranch horses. Get in on the ground floor of these Sippin Stoli's. I plan to add him to a few incentives as his foals come of age.

## A Freckled Lion

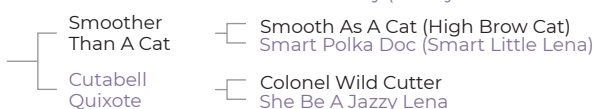

Sorrel Gelding // 5.11.20

"Cub" is eligible for Royal Crown, Blue Collar, Valley Girls, & Triple Crown 100! His dam Freckled Smoothie, has been a versatile using horse, originally started in cutting and now is a very nice barrel horse. Cub should be able to do multiple events, and be good at all of them! Lions Share of Fame is continuing to make his mark in the barrel industry as they are known for their trainability. I rode this colts mother and she was one of the easiest and naturally talented horses on the barrels. We are excited to offer Cub to the public!
