Each year \$2,000 will be added to this Lottery & is available to the Fall Extravaganza horses competing in the 5-State Breeders.

5-State Fall Extravaganza Barrel Racing Lottery

\$1000 each year is added to the 5-State Fall Extravaganza Lottery Barrel Incentive. **\$500** towards the 5-State Barrel Futurity and **\$500** towards the 5-State Barrel Maturity. It includes eligible graduates starting from the Fall Extravaganza first held in Rapid City, South Dakota in 2017. The accumulated incentive money set aside towards each event is awarded to the current owner of the Fall Extravaganza Lottery Eligible horse that achieves the title of 5-State Futurity Barrel Champion or to the 5-State Maturity Barrel Champion.

5-State Fall Extravaganza Pole Bending Lottery

\$500 each year is added to the 5-State Fall Extravaganza Lottery Pole Bending Incentive. **\$250** towards the 5-State Pole Bending Futurity and **\$250** towards the 5-State Pole Bending Maturity. It includes eligible graduates starting from the Fall Extravaganza first held in Rapid City, South Dakota in 2017. The accumulated incentive money set aside towards each event is awarded to the current owner of the Fall Extravaganza Lottery Eligible horse that achieves the title of 5-State Futurity Breakaway Roping Champion or to the 5-State Maturity Breakaway Roping Champion.

If the winning 5-State Futurity or Maturity Champion was not a Fall Extravaganza Lottery eligible graduate, then the accumulated Lottery incentive for each event will roll into the following year — increasing the accumulated Lottery money every year till a Fall Extravaganza Graduate achieves the title of Futurity or Maturity Champion.

What designates a 5-State Fall Extravaganza Eligible Graduate is ONLY a horse who has been successfully purchased through the Fall Extravaganza Horse Sale since its inception in 2017. Horses that were no-saled through the Fall Extravaganza are unfortunately not eligible. Once a horse has been successfully purchased through the Fall Extravaganza Horse Sale it will remain an eligible graduate, including in the event of change of ownership. The Dam Miss Double Leowood never disappoints in her ability to stamp a flashy athletic prospect. They are incredible under saddle with a natural collection and are light on their feet. A large majority of the traits we see in prospects like this are rooted from the great mare Seneca Silk. Anyone who owns a horse with Seneca Silk on the papers gives the same feedback of willingness and talent. A strong foundationally based horse right here! What I see is a colt to do it all! The dam was an incredibly talented reiner and an amazing heel horse! So why not make him a 4-year-old breakaway futurity horse and then a 5-year-old futurity barrel horse that eventually also turns into a Team Roping horse! Knowing the talent behind the dam and with the cross on King there is a lot to be molded here for talent. That is what I would do as you have everything built in to be a multi-event horse. Especially if plans are to keep him at STUD, I would showcase the potential of the breeding!!!
