Here is a unique opportunity and quite possibly your last chance to purchase a Cold Sun daughter directly from the Ruzsa program! With Cold Sun now retired and several of his daughters already retained in our broodmare band, we decided this extremely well-made 3-yr-old deserved the opportunity to leave our program and make a name for herself. She will sell with approximately 45 days under saddle with Cord Roberts. Her maternal side brings another piece of Ruzsa history through our first stallion, Ima Sun Frost, a sire of World Champions, State Champions, NFR horses and money earners across multiple events, with the legendary Willywood also found in her mare line. We've kept plenty of this blood, now here's your opportunity to put it to work!

Black Mare // 1.30.15

Black daughter of \$21M+ producer Jet Black Patriot and out of Fishers Obsession (LTE \$6,605) by Fishers Dash, who earned over \$123K on the track and produced progeny earners of over \$11M. Rio is maiden, no testing has been done to determine her ability to get in foal and carry. Consolidating CSR Estate which is why she's for sale. I was told she was broke to ride and could go back to the arena. Very sweet disposition, easy to catch and easy to get along with. Good for trims and good in the stocks.

Sorrel Colt // 2.01.26

Shannon Kulseth Perf. Horses // 605.295.2296

This colt came out thinking he's a human which is typical of his sire. He is supremely confident and is out of a mare I imported from Brazil in 2023. His dam, BTOB Petit Bikini Tux is a true 3/4 sister to Famous Silk Panties. Tux N Rolls is a premier top ten sire in Brazil, joining the ranks of stallions like Shady Leo and El Shady Zorrero with less than a third of the foals produced. This colt has the makings of an elite athlete with the mindset of a winner.

Johnny Ring Go

Red Roan Gelding // 2.20.24

Shannon Kulseth Perf. Horses // 605.295.2296

Johnny Ring Go is by French Streakin Jess and is the first foal out of 2024 WPRA 1D Futurity World Champion and pro-rodeo winner, Lucky Blaze. I didn't think I would be selling this one, but I have decided to really focus on developing fillies and mares. Ringo has been with Mark and Heidi Gunderson since the first of the year and has a fantastic start. He shows a lot of his dam's characteristics both in his build and personality, as well as his way of moving. He has a powerful hip, kind and friendly disposition, and is just a stunning gelding. **Paid into:** Pink Buckle, Ruby Buckle, Future Fortunes, Gold Rush **Eligible for:** Royal Crown, Colorado Classic, Cornhusker Futurity, Minnesota Breeders, Full House, Gridiron and 5-State. Select Stallion Stakes, Breeders Challenge, Tomorrows Legends, Cowboy State and Nexus

Black Ty Cartel is a standout filly by Famous Black Ty and out of RDC A French Cartel, a maternal sister to Milliondollarstreaker. RDC A French Cartel was a promising futurity prospect with Heidi Gunderson before a career ending EMP episode. "ChinaDoll" is one of the fastest horses in the yearling pen and has outstanding substance and bone. She's built for soundness and has a gritty personality.

Siroccan Sunset

Sorrel Colt // 2.04.26

Shannon Kulseth Perf. Horses // 605.295.2296

Siroccan Sunset is by JL Sirocco and out of RDC A French Cartel, a maternal sister to Milliondollarstreaker. RDC A French Cartel was a promising futurity prospect with Heidi Gunderson before a career ending EMP episode. This colt is built to last and has developed a super friendly and confident personality. He's one of the first to greet you out in the pasture and is bred to be a winner. With the natural raw speed that his dam had crossed with JL Sirocco, I'm excited to see what this colt can do.
